An Afternoon of Luxury

On 19 June, friends of The Expat Group attended an amazing afternoon event at Nadayu, a lush and luxurious residential development comprising 121 exclusive freehold bungalows located in Taman Nadayu in Melawati, Selangor.

After enjoying a wonderful brunch on the lower patio at Nadayu Galleria and viewing the latest BMW models from Quill Automobiles, guests listened to an informative talk about the MM2H programme by Andy Davison (CEO of The Expat Group). They were then taken on a tour around the spectacular Nadayu enclave.
